

American Model United Nations

General Assembly Plenary (Concurrent)

GA Plen/I/1

SUBJECT OF RESOLUTION: The United Nations Global Counter-Terrorism Strategy Review

SUBMITTED TO: The General Assembly Plenary (Concurrent)

The General Assembly Plenary (Concurrent),

1 *Recognizing* the growing link between organized crime, arms dealing, drug
2 trafficking, and terrorism,

3

4

Acknowledging the globalization of both terrorism and financial markets,

5

6

Seeking to disrupt the funding of terrorist organizations,

7

8

Recognizing that the combination of terrorist organizations and organized crime
9 expands the scope, resources and capabilities of terrorists,

10

11

Appreciating the International Monetary Fund's anti-money laundering efforts,

12

13

1. *Encourages* Member States to act swiftly and firmly when confronted with
14 instances of terrorist related money laundering;

15

16

2. *Calls upon* the nations of the world to regulate and audit their banks with the
17 intention of obstructing money laundering and strictly abide by all relevant treaties they
18 have signed to this effect;

19

20

3. *Urges* those nations that have had a problem with their financial institutions
21 being used to launder terrorist funds to use resources available to them through the
22 International Monetary Fund and other organizations;

23

24

4. *Recommends* that nations take advantage of the resources that the International
25 Monetary Fund makes available to combat terrorist related money laundering;

26

27

5. *Urges* nations to engage in information sharing to coordinate investigations.
