SC/PRST/2017/3

Statement by the President of the Security Council

1 At the meeting of the Security Council, held on 24 November 2017, in connection with the Council's con-
2 sideration of the item entitled Nuclear Nonproliferation, the President of the Security Council made the following
3 statement on behalf of the council:

4 Upon the escalating security challenges involving nuclear threats, the Security Council recognizes the need
5 to prevent the spread of nuclear weapons and weapons technology. The Security Council encourages the imperative
6 continuation of the Six Party Talks. The body encourages an incremental approach to nuclear cooperation and
7 recommends the utilization of the Low Enriched Uranium Fuel Bank established by the International Atomic Energy
8 Agency as a site of neutral and responsible storage of low enriched uranium. We commend the progress made by the
9 international community in establishing a mutually beneficial and reliable solution to nuclear storage.

10 The Security Council emphasizes the importance of avoiding inflammatory rhetoric that escalates tensions
11 among parties.

Passed by consensus, with 3 abstentions
