

American Model United Nations
General Assembly Second Committee

GA Second/II/2

SUBJECT OF RESOLUTION: International migration and development

SUBMITTED TO: The General Assembly Second Committee

The General Assembly Second Committee,

1 *Acknowledging* the crisis of migration that has left many Asian nations, among others, diminished of impor-
2 tant labor forces and others overflowing with migrant populations,

3 *Deeply concerned* with the maltreatment and conditions of vulnerable migrants,

4 *Establishes* the need to uphold and work towards achieving:

5 1. Sustainable Development Goal 8, Decent Work and Economic Growth,

6 2. Sustainable Development Goal 9, Industry, Innovation, And Infrastructure,

7 *Reaffirming* the International Organization for Migration's (IOM) Regional Strategy for Asia and Pacific
8 Islands to support migrants through collaborations between regional and multilateral partners, key UN counterparts,
9 civil society, the private sector, academic and research institutions,

10 1. *Encourages* Asian nations to review their migration policies, patterns, and procedures;

11 2. *Establishes* the IOM as the primary body for the implementation of this resolution;

12 3. *Suggests* the enhancement of regional labor and economic stability through means of reform and research
13 regarding guiding and facilitating international migration;

14 4. *Discourages* the movement of skilled personnel from underdeveloped nations to developed nations that
15 would limit depletion of skilled labor forces within their nation of origin;

16 5. *Suggests* incentives in order to increase retention of migrant communities through infrastructure policies,
17 when deemed appropriate for the individual nation, such as:

18 (a) Establishing labor protection laws to ensure job security and safe working conditions;

19 (b) Producing subsidized housing options for those in need;

20 (c) Creating subsidized stable healthcare protection policies to maintain health standards;

21 6. *Encourages* the designation of safe transportation vessels for immigrants and returning citizens;

22 7. *Expresses* hope that nations will implement said strategies, if they feel it is applicable, to improve the
23 living and working conditions of those seeking economic prosperity and safety.
