HSC-1993/4

SUBJECT OF RESOLUTION: Open Agenda

SUBMITTED TO: The Historical Security Council – 1993

*The Historical Security Council – 1993,*

1 *Shocked by* the sudden and unprovoked attack on Bosnian-Muslims,

2 *Alarmed by* the escalating violence in Yugoslavia,

3 *Appalled by* the brutality of the sieges on Bosnian cities,

4 1. *Requests* the strengthened enforcement of the no-fly zone over Bosnia:

5 (a) The no-fly zone will only permit United Nations aid missions planes, with the goal of providing  
6 humanitarian aid supplies to besieged cities or to support United Nations peacekeeping missions through the provision  
7 of aid;

8 (b) Srebrenica requests that member states send support to enforce the no-fly zone over Bosnia;

9 (i) Authorizes the use of defensive tactics to enforce the no-fly zone, with the goal of protecting  
10 humanitarian aid;

11 2. *Requests* that the United Nations conduct daily airlifts of critical humanitarian aid to the besieged cities  
12 in Yugoslavia:

13 (a) The airlifts will only transport and deliver humanitarian aid;

14 (i) Aid refers to the provision of food, water, healthcare, and additional infrastructure aid to extend  
15 the protections on human security;

16 (b) In the besieged cities that do not have the terrain for planes to safely land and take off, the  
17 humanitarian aid will be parachuted down to the cities;

18 3. *Authorizes* United Nations peacekeepers to utilize defensive force if necessary for providing humanitarian  
19 aid;

20 4. *Considers* the redeployment of unarmed, non-active peacekeepers or peacekeepers in stable areas to areas  
21 near the besieged cities:

22 (a) The peacekeepers would foster the development of trust between the warring sides for a truce;

23 (b) This is suggested to emulate the success of the previous ceasefire in the region;

24 (c) Bosnian cities of deployment will include: Srebrenica, Tuzla, Gorazde, Zepa, and Bihac.
