

American Model United Nations
United Nations Educational, Scientific, and Cultural Organization

UNESCO/II/2

SUBJECT OF RESOLUTION: Declaration of Ethical Principles in relation to Climate Change

SUBMITTED TO: The United Nations Educational, Scientific, and Cultural Organization

The United Nations Educational, Scientific, and Cultural Organization,

1 *Recognizing* the need to encourage and develop renewable sources of energy,

2 *Emphasizing* the international scale of the ongoing Climate Crisis,

3 *Seeking* cooperation from Member States in the areas that are most affected by rising, tides, water and air
4 pollution, and changes in local climates,

5 *Welcoming* countries with like-minded ideas to help in any possible means,

6 *Emphasizing* the importance of knowing member states intentions and their close allies as to be as transparent
7 as possible,

8 *Further recognizing* the need for import and exports of precious metals and minerals required for the devel-
9 opment of renewable resources among member states,

10 1. *Reaffirming* previous United Nations resolutions, the Paris Climate Accords and the UN Sustainable
11 Development Goals;

12 2. *Calling on* Member States to further specify how to achieve these goals by implementing concrete policies
13 for:

14 (a) The proportion of the renewable energy sector in the economy;

15 (b) Limiting reliance on fossil fuels;

16 (c) Expanding train tracks for electric trains and expanding electric car charging stations in order
17 to be less reliable on fossil driven cars;

18 3. *Encourages* Member States dependent on pollutive resources to put forth an effort to reduce emissions
19 from fossil fuels and greenhouse gasses;

20 4. *Supports* efforts to promote the development of sustainable energy technologies;

21 5. *Urges* Member States to discontinue use of coal or petroleum fuels, ideally by 2030 and at latest 2035;

22 6. *Condemns* the use of nuclear energy as dangerous and unsustainable;

23 7. *Draws the attention* to Member States who have not met their goals for climate change to reconsider
24 their goals and objectives within the Paris Accords and own state legislation..
