## **If You Missed the Lottery...**

You can still register for 2025, today! Visit the Ohio Room and you can put a deposit in for any of the available countries (those not listed above), or you can sign up for a country [HERE](#). A 120-dollar deposit is required to reserve a country for the 2025 Conference

There are several countries with seats on the Economic and Social Commission for Western Asia available (Bahrain, Iraq, Jordan, Kuwait, Lebanon, Libya, and Mauritania) and several with seats on the Commission for Narcotic Drugs (Armenia, Bolivia, Burundi, Côte d'Ivoire, Dominican Republic, Ghana, Guatemala, Kenya, Lithuania, Trinidad and Tobago, United Republic of Tanzania, Uruguay, and Zimbabwe).

## **International Court of Justice Seats Are Open!**

AMUN's International Court of Justice (ICJ) is a unique simulation that covers both historical and current cases that were originally presented to the real-life International Court of Justice. The ICJ has only a limited number of seats available, so if you have students interested in participating, especially those interested in International Law, sign up today [HERE](#).

## **Seats on the Commission of Inquiry for 2005**

We have open seats still available for registration for the 2025 AMUN Conference. Never tried a Commission of Inquiry (COI-05) before? Fret not, this whole communication is about the unique educational opportunity presented in the Commission of Inquiry. We're looking for your best and brightest, the Model UN students who are looking for a new experience, or those who are gifted researchers and analysts. The Commission of Inquiry is an exciting new way to participate in a United Nations simulation. Sign up for the COI [HERE](#). We have one country (Fiji) and several commissioner slots available, so sign up as soon as you know you'll have someone to sit the simulation.

## **International Press Delegation Positions Are Available**

The International Press Delegation (IPD) fills the role of the press corps at AMUN. Student Reporters cover the goings-on of Conference by observing simulations, interviewing representatives and doing research. All content is published online in the *AMUN Chronicle* feed of the AMUN Blog, the *AMUN Accords*. Sign up for the IPD [HERE](#).
